We, the editors of the 1963 Legend, spent many enjoyable hours compiling these remembrances of the past. At times it looked as if the deadlines would go unmet; but with the assistance of our fine staff, we sent our copy off to the printers on time. In retrospect—it was a lot of work, but even more fun. Outstanding for their all out efforts are Jane Kemps, editor-in-chief and Mrs. Fisher, our advisor.

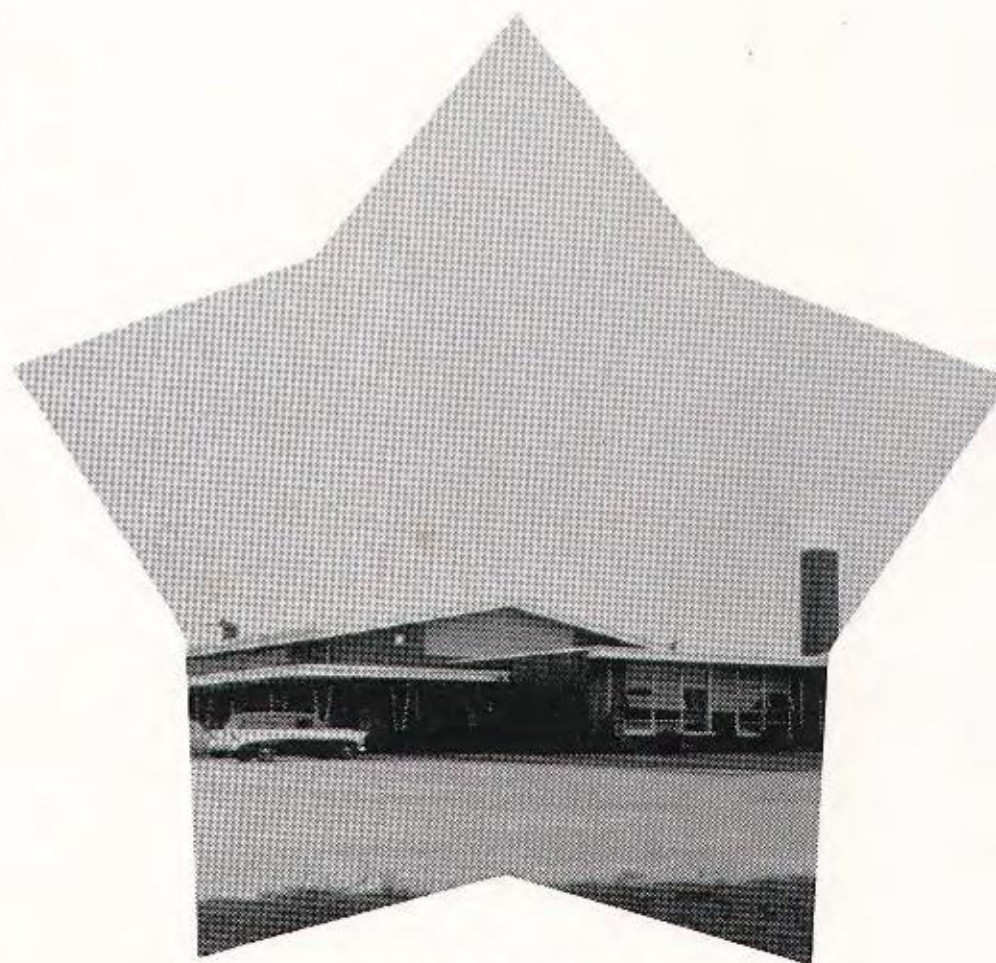

Foreword

The days when the class of 1963 walked through the halls of Lenape in their quest for knowledge on which to base a purposeful life, are gone forever. Yet, it is only the beginning of a life that stretches before us. The outcome of the entire course of human history rests on our generation's shoulders. At Lenape we were given means by which to begin a mutual quest for world peace and freedom; a good, farseeing education. It is within our power to misuse this education and our heritage, to create a world so frightening we cannot comprehend all its implications. It will be our generation that will follow the steps of our present astronauts. We will, quite literally, shoot for the stars.

No matter what the future may contain, every member of the class of 1963 will always look back with fond remembrance at the four glorious years we spent at L.R.H.S. The pages that follow contain the highlights of the 1962-63 school year. As the years go by, this book will continue to remind us of our memorable senior year at L.R.H.S.

Lenape is fortunate indeed that its student body could be drawn from these seven districts. Each has lent something priceless and different to the final product of their joint effort—L.R.H.S. The experience of many areas working together will prove invaluable as we step into a world where nations are joining in a common goal.

of Education

To the Class of 1963:

It is always a pleasure for me when I am asked to express a few words for our graduating class. As seniors you have completed a cycle. Decisions must now be made as to what, where, and how you will spend the up-coming years. It is my profound hope, that as teachers and educators, we have in some small way contributed to help you make these decisions. If we have, then our job has been accomplished.

To see a class leave us each year, brings fond memories of the success and tribulations you encountered during your stay with us. Remember that each defeat, success, or encounter is just another stepping stone in the road of life. The best of everything to the Class of '63.

J. L. Ellwood

JOSEPH L. ELLWOOD
Superintendent

K. KIKI KONSTANTINOS
Principal

To the Class of 1963:

I believe that the theme of your yearbook is very appropriate to our times. We are literally reaching for the stars in this age of space technology. We are also involved in a mortal ideological combat, a struggle that may well determine the fate of democracy for centuries to come. All of you have been entrusted with certain responsibilities that are pertinent and relative to our society. This should make you aware of the fact that a democracy cannot be maintained or preserved unless it is deserved and earned. The education that you have received at Lenape Regional High School is a basic foundation for democracy. Upon this foundation, each of you will be placed as a building block in our "stairway to the stars." You are charged with the responsibility of lifting others with you as you climb this stairway. Without this helping hand, you and yours cannot grow, democracy cannot exist, and the world cannot remain free.

It has, indeed, been a privilege to have worked with you this past year.

K. Kiki Konstantinos

To the Class of 1963:

Success is defined as the termination of a favorable venture. You have attained one phase of success at this point. Your future will project new ventures into your path and only you can determine the outcomes as these phases develop.

It is with pleasure that I congratulate you on the successful completion of this venture and it is with sincerity that I wish you success in all future endeavors.

To the memory of Joseph L. Ellwood, who first served us as principal and then as superintendent, we dedicate this book. He was beloved as a father, honored as an educator, and respected as a man.

"Here, in the halls of LRHS,
Are echoes of the man—
His aims and goals, his plan
for progress—
All are here.

To learn, to strive, to serve
As this man did—
Could there be higher goals?

The man is gone.
His works remain."

Class History

FRESHMAN

Every freshman is noted for his naïvete and we, the class of '63, were no exception. We peered up at the numbers on the doors to help our navigation through the halls, fumbled with lockers that just refused to open, were confused with what to do with our trays after lunch, and started a just-completed "Battle of the Marks." In a week or two all of this was a thing of the past, and the comment, "I only got lost once today," was no longer a standard phrase.

Finally settled in the routine of Lenape, we organized ourselves as a class by electing the following officers: President, Bill Bisignano; Vice President, Richard Heacock; Corresponding Secretary, Jinny Stewart; Recording Secretary, Jackie Collins; and Treasurer, Judy Ogens. The counsel of our class advisor, Mr. McBride, proved invaluable during this tumultuous period. An Easter Egg Sale and a dance helped establish class unity in addition to getting some funds for that vague time when we would be Seniors.

SOPHOMORE

We returned from our various summer activities to a complete Lenape. For the first time, the school had all four classes. As a celebration, Lenape came out first in football and girls' hockey, with some sophomores playing powerful supporting roles.

A class Christmas Tree Sale did not fare as well as our sports. An unexpected snowstorm hindered the efforts of the class and our new officers.

President, Bill Bisignano; Recording Secretary, Jackie Collins; and Treasurer, Judy Ogens were all re-elected. Karen Tucci became our new Vice President and Doug Nixon, Corresponding Secretary. Mr. Wilson served as class advisor.

JUNIOR

Due to split sessions, most of us were too tired on the first day of school to realize that we were finally upperclassmen. Split sessions provided us with the opportunity to view marvelous and long afternoons and sunrises while in homeroom, drowsy first periods. Still, "the show must go on," and in spite of our original handicap, we had the busiest year to date. Our officers in this hectic year were Carolyn Seaman, President; Judy Ogens, Vice President; Recording Secretary, Margie Laughlin;

Class History contd.

Corresponding Secretary, Jackie Collins and Treasurer, Ralph Richter. Advisors included Mr. Wilson, Mrs. Cramer, Mr. Dickinson, and Mrs. Conner.

To boost a sagging treasury the class came up with another Lenape first. We sold—lightbulbs. Any thoughts that this was a crazy idea were dispelled when the sale proved to be about the most successful economic venture for the class.

Back on regular sessions, work was started out by our theatrical endeavor, the comedy, "Stardust." Some real Thespians came forward to make the play a highlight of the year.

Almost coinciding with the play was the arrival of our class rings. Amidst the excitement was an obvious awareness that our Senior year was fast approaching.

However, the highlight of our Junior year was yet to come. This was our lovely prom, "Netherlands By Night." This delightful evening was barely over when the rush of finals was upon us. Once these were completed, Lenape once more was vacated while we vacationed.

SENIOR

The ultimate year? Now, of course, we know this to be false. The class of '63 has yet to help etch the history of a society far greater than Lenape. We can leave satisfied that we played an integral part in the development of a new school.

Our class initiated the Lenape Abroad Program. Lenape's first foreign exchange student, Daniel Furman, came from Argentina to participate in our activities for the year.

We had much to be proud of—other than being Seniors. Aware of the underclassman's admiring stare, we accomplished our many tasks with efficiency. Among our monetary successes of the year were the concession stands and a magazine sale. Many old timers, experienced in "Stardust," returned to participate in the class play "Pink Magic."

Other activities completed, we prepared ourselves for the finale—Graduation.

With this behind us, part of the class started the cycle over and became the college class of '67, others, completed with their formal education, started in the economic world; but all are beginning a new chapter. We can step forth, secure with the knowledge that we were some small help in the development of L. R. H. S., which was a large help in the development of the Class of '63.

Senior Class Projects

The Senior Class had an excellent means of coordination in the Senior Executive Committee. At the start of the year the Committee had a little trouble getting started, but with the magazine sale, concession stands, and Class play, we soon learned co-operation. We finished the year in rapid succession by organizing the Senior Class Dance, the Class Trip and the graduation activities. Without the help of the Senior Class, the Committee would have been useless.

Treasury fattening is the goal behind the proposed activities of the class. Their main event of the year was a candy sale in the spring. The company had provided a trip to New York City for the homeroom selling the most. Stiff competition and a high sales volume resulted.

The class held three dances including a farewell to seniors dance in May. A roller skating party and class picnic were also on the agenda for this year.

The avowed purpose of the Student Council is to train students to lead and to understand the nature of democracy through participation. The benefit of the student council has conducted now traditional activities such as Bundle Day, an Alumni Dance and Banquet, Bonfires and monthly Rotarian Awards. In addition to these special events, the Council provides year-round service to the school by maintaining the Lost and Found and supplying school receptionists.

One of its most significant and long lasting actions resulted in our Foreign Exchange program. Not only was Daniel Furman brought to our school, but a Lenape student was also selected to go abroad this summer. The first lucky individual will be in the class of '64, with one member of succeeding classes participating in their respective years.

Due to the departure of Ralph Richter, President, Carolyn Seaman moved to that spot. In a special election held by the General Assembly, John Flor was elected Vice President.

Daniel Furman Spends

A Year at

Always the serious student—Daniel at his desk.

Daniel joins in song with Mike, Jim, Robert, and Mr. Nobel.

Like the Lenape Indians of yore, Daniel makes his way down the Rancocas.

Daniel Furman, Lenape's first American Field Service student, came to us from Concordia, Argentina. Daniel surprised many of us with his command of the English language, which improved as the year progressed. He proved himself an excellent student, maintaining Honor Roll grades throughout the year.

Daniel did not limit himself to studies. He became an active member of his host family, the Nobels, and participated in Lenape extra-curricular events. A noteworthy achievement was a brief but outstanding performance in the Senior Play. Daniel was a first for us, and there were many firsts for him, too; such as ice skating, skiing, peanut butter, and pep rallies.

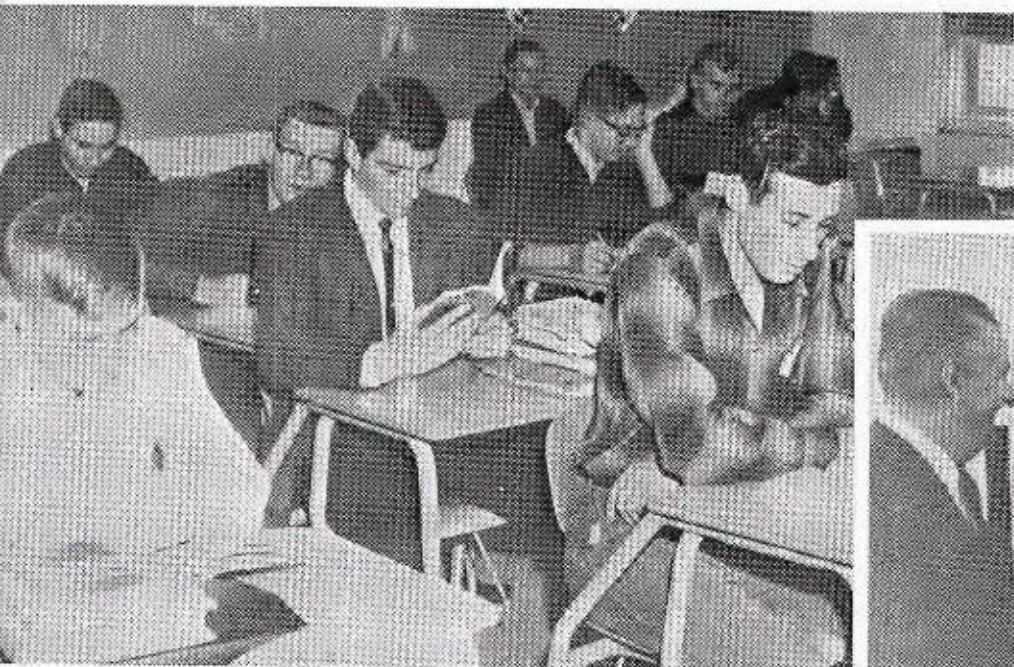

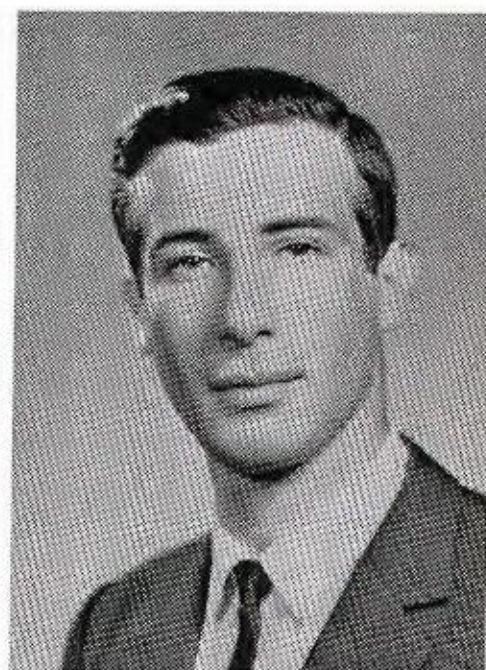

We hope that in parting Daniel will take as much with him as he brought to us. All Lenape joins in wishing Daniel *feliz viaje* and a bright future.

Lenape

Gracias, muchas gracias for this wonderful year I have lived as one of you. I thank you all and especially the Student Council and the American Field Service chapter who have sponsored the Foreign Student Program.

Participating in your life, in your studies, enjoying the school extracurricular activities, I got to know you as a people, as a friend, as a people of friends.

I represented my five hundred schoolmates from Concordia, Argentina, who indirectly lived with you my challenging experience. We are now tied by a strong link of understanding and comprehension. I hope that during this year at Lenape we made a little more possible the dream of peace.

Far away up in the dark room, the photographic team would make up prints of pictures taken four weeks hence. Even further away more energetic staff members scurried hither and yon getting much appreciated ads. Finally, minutes before (or after hours), the finished pages would be collected and sent lovingly away while the staff breathed easily until the next deadline.

Each student who is endorsed by his school Letter of Commendation by his principal of the National Merit Corporation.

John M. Stomaker, president of the National Merit Scholarship Corporation, stated:

"About 28,700 students throughout the country are being awarded Letters of Commendation in recognition of their excellent performance on the qualifying test. Although they did not reach the status of Semi-finalists in the current Merit Program, they are so capable that we wish to call attention in this way to their achievement and academic promise."

"The Semi-finalists and Commended students together constitute about two per cent of all high school seniors. This certainly signifies noteworthy accomplishment by all of these youngsters."

"We earnestly hope that Commended students will continue their education," Mr. Stomaker concluded. "By doing so they will benefit both themselves and the nation."

To increase their opportunity to obtain financial assistance they need it, the Merit Corporation sends the names, home addresses, and test scores of Commended students to the colleges they indicated as preferred choices at the time they took the qualifying test. Other special services are performed by NMSC in an effort to increase the scholarship opportunities of Commended students and Semi-finalists.

The Commended students and the Semi-finalists who do win Merit Scholarship are considered for other scholarships that are offered through the facilities of the NMSC.

As the year 1962-63 draws to a close, the Lenape Music Department can add another feather to its headdress.

The Marching Band, Color Guard, and Majorettes, whose appearances and performances on the football field were second to none, paraded in Medford on Halloween, Moorestown on Christmas, and Medford on Memorial Day. The Band was also on hand to add to the spirit during football pep rallies and bonfires.

The Color Guard was enhanced this year by the addition of a Drill Team and the Majorette Squad was complemented by seven new Flag Twirlers. The Band, Color Guard, and Majorettes are under the guidance of Mr. John A. Amos.

"Pink Magic" is a light situation comedy that takes place in Mexico City. It deals with American tourists, centering the plot on three high school girls and their mirthful pursuit of romance. The tourists' study of art along with romance inflict additional characters who create atmosphere and comic complications.

National Honor Society

The National Honor Society is an association of above average students which offers recognition of outstanding achievement as well as providing an incentive for everyone to work to their highest capabilities. Membership in the Society is determined by four criteria: Scholarship, Character, Leadership, and Service. A candidate must maintain a 4.0 average (at least), must show his reliability, honesty, and promptness, must show initiative in prompting any high school activities as well as initiative in classroom activities, and finally he must show a willingness to render services to the school voluntarily or when asked.

The objectives of the Three Fires Chapter of the National Honor Society shall be to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of Lenape Regional High School.

The present officers of the Three Fires Chapter are: President, George F. Kraus, Jr.; Vice-President, Robert Middleton; Secretary, Kristina Breidenbach; Treasurer, Diane Stiles.

The chapter has begun in this school year a program of tutoring during study halls. Those students who are able and willing to tutor various subjects during study halls were chosen. The ground work for this program was performed by members of the Society under the guidance of Mrs. Burns; and they will shortly be seeing the fruits of their labor.

Ann Harker and Josephine Seward were elected the Camden Junior NOMA (National Office Management Association) representatives from Lenape. Each month they attend meetings at surrounding business establishments.

Carolyn Seaman received a certificate for the Daughters of the American Revolution Award. The faculty made nominations and the senior class voted for candidates on the basis of citizenship, leadership, scholarship and character.

The Bausch and Lomb Science Foundation Award was awarded to George Kraus. George was chosen for this honor by the Science Department at Lenape and received a certificate.

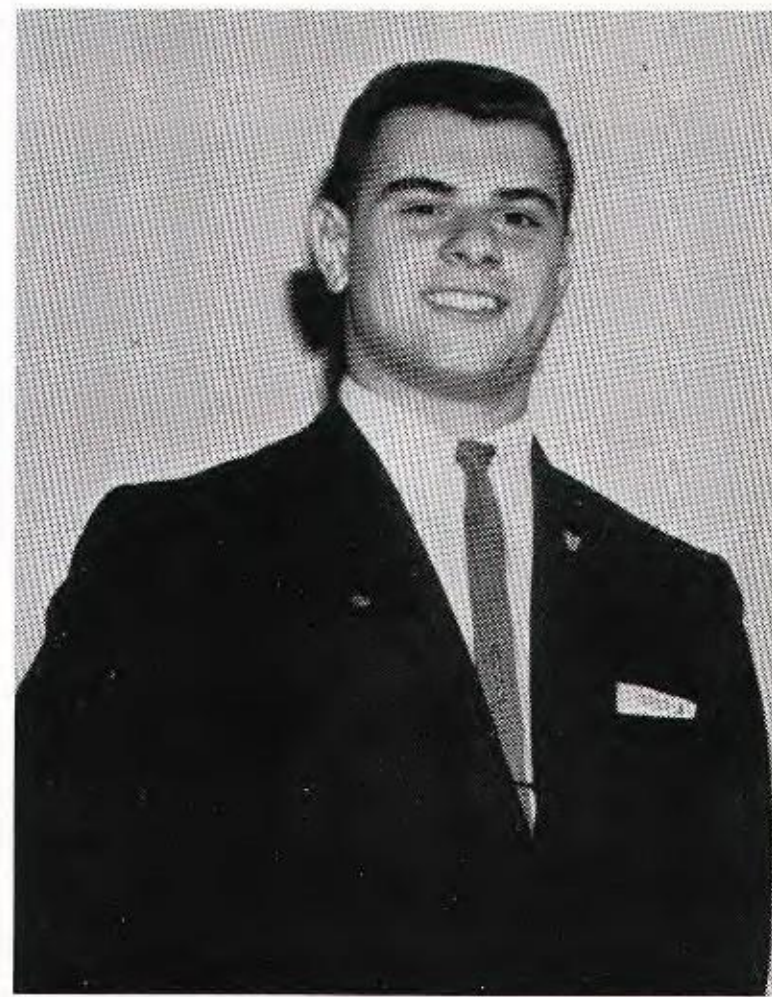

Lenape Awards

Dale Remington was elected the member-at-large at the NJEA Conference.

Virginia Stewart received the Betty Crocker Homemaker of Tomorrow Award at Lenape. A nation-wide examination is given to choose the winner.

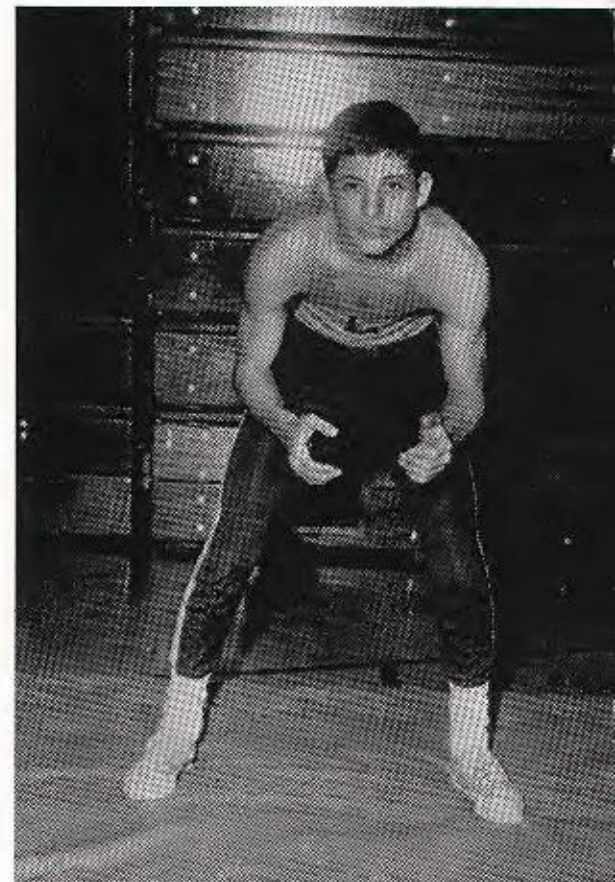

Bill Bisignano was elected to the National Football Foundation Hall of Fame as being the most scholastic athlete.

Scholastic and Athletic

John Kraft (fullback), Doug Nixon (tackle), Norman Hill (guard), Bill Bisignano (tackle), and Tom Godfrey (halfback) were selected by the South Jersey Football Coaches for the Coaches' All County Team Award.

John Kraft, Doug Nixon, and Bill Bisignano were also selected for the Newspaper All County Award and the All South-Jersey Group IV Team.

Ed Witzak came in first for his weight class at the Wrestling District Championships. South-Jersey schools participated in the contest held at Collingswood High School.

Ed Allen is a member of the National Future Farmers' of America Band.

Wurst was appointed to the All South Jersey Band.

Joanne Punzo is the Lenape "Voice of Democracy" speech winner.

Judy Gaul was appointed to the All South Jersey Chorus.

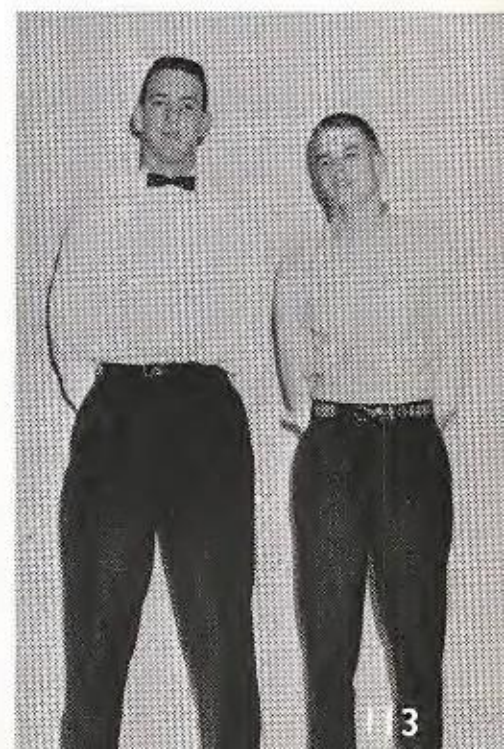

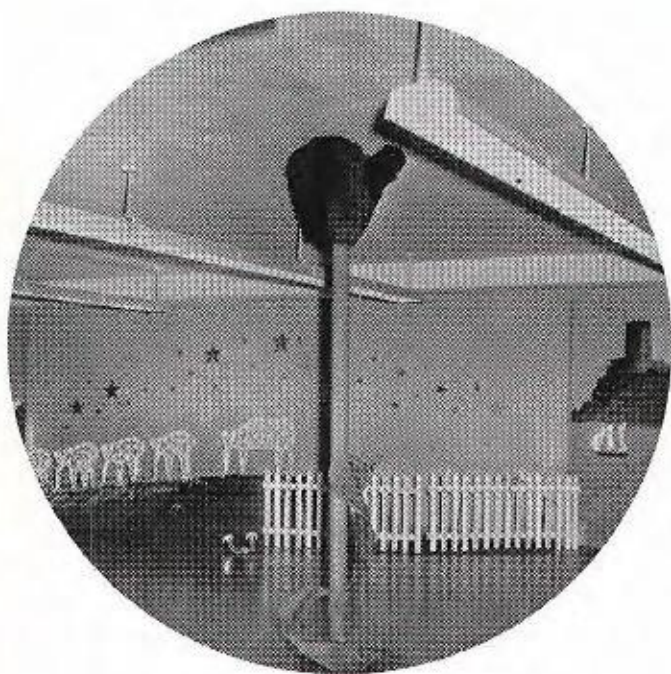

Ron Klein was chosen for the All South Jersey Band and the New Jersey - All State Band.

Recipients of letters of recommendation from the National Merit Scholarship Qualifying Examination were: Bill Bisignano, George Kraus, Bob Middleton, Dan Nobel, Carolyn Seaman, Elizabeth Steckman, Joseph Stoerrle, James Yates, and Stephen Wilkinson.

Robert Middleton was appointed Assistant Speaker of the House and David Krantz was appointed President of the United States at a History Forum held at Temple University.

Booster Club

Letting everybody know that Lenape "just a little bit better" is a full-time job for the Booster Club and its advisors, Mr. Castle and Mr. Caputo. The Boosters hold dime dances, bonfires, pizza parties, and try to boost school spirit with posters and signs.

Future Teachers of America

A very active club at Lenape, the FTA explores the teaching profession, learning where teachers receive their education, the cost and opportunities, responsibilities and the role of the profession in our democracy.

Among many of this year's projects were monthly business meetings, blazer sale, bake sales, observation of American Education Week, attendance at NJEA convention, Christmas party for Burlington County FTA Chapters, Annual Scholarship Dance (to raise funds for \$100 scholarship to the most deserving senior in FTA), a tea and reception for the faculty, staff, administration and school board members, attendance at the annual SNJEA Blairstown convention and installation of 1963-64 officers. Mrs. Virginia Cramer and Mr. George Brich were this year's advisors.

Carolyn Seaman, Historian and Bob Middleton enjoy the FTA Christmas Dance.

Radio Club

This year the radio club started classes in code and radio theory so that its members could pass the tests given by the Federal Communications Commission. For those who had done this, a radio station was planned where they could operate. Members work toward getting their amateur radio license which three members now have.

Paul Greer, Bill Walton, President; Steve Hall, Mr. Rosenberger, Advisor; Grant Nicholls, Secretary and Treasurer; Dave McGee, Vice President; Robert Griffith, Doug Stewart.

Debating Club

I agree. Sorry, but I don't . . . The Debating Club meets each Wednesday and is under the direction of Mr. Thomas King. The club prepares for debates throughout the school year having both an affirmative and a negative team participating in the South Jersey Debate League.

Left to Right: Negative Team, Larry Klein, Vice President; Karen Lahn, Vinton Thompson, President; Joyce Powell, Mr. King. Affirmative Team, Matt McCrink, Bea Fuchs, Peter Nelson, Bill May. Absent: Karen Kraus, Secretary.

Future Business Leaders of America

Oh, Miss, will you type this letter . . . FBLA Club was organized to develop competent and aggressive business leaders and to create more interest and understanding in intelligent choices of business occupations. Members are corresponding with alumni business students and companies offering future job opportunities pertaining to business.

Absent: Frances Dickinson, President; Susan Hall, Treasurer; Elaine White, Ways and Means Committee Co-Chairman.

The Lenape Chapter of the New Jersey Association of the Future Homemakers of America is affiliated with the state and national chapters. It is an organization having definite goals. They are Education, Discovering Self, Citizenship, and Family Living.

This year the FHA had several activities, a dance, a Thanksgiving basket and Christmas basket to give to needy families through Mrs. Palese, collecting toys and clothing for needy families, making several Christmas decorations to sell, and they entered a float in the Medford Halloween Parade. A fashion show was held in the spring.

The money made from projects will be used to send as many of the members as possible to the Annual State Convention held at Asbury Park.

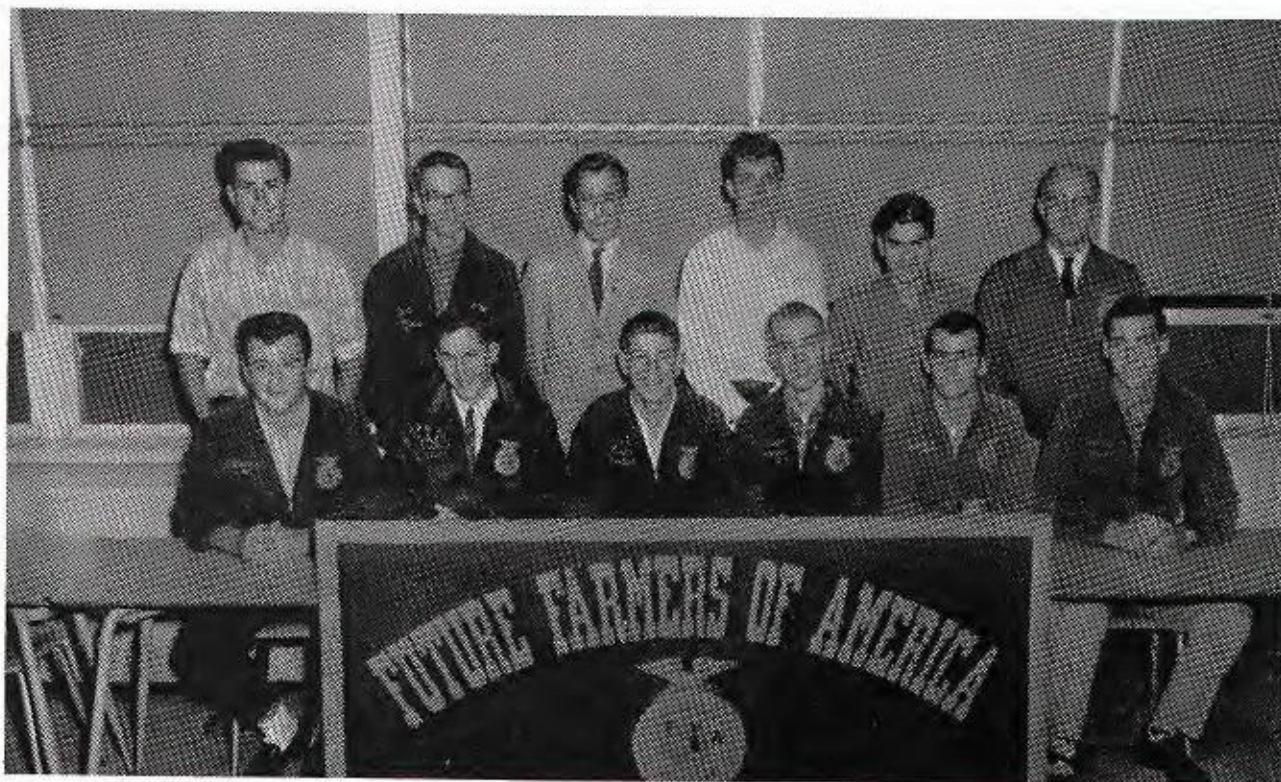

Future Farmers of America

There are presently thirty members in the Lenape Chapter of Future Farmers of America. Every year two delegates are sent to the State Convention at Columbia, New Jersey, with all expenses paid. This year Randy Allen and Charles Hughes represented the Chapter; all members are welcome to attend the three-day convention.

An annual dance is held at which time the queen and her court are selected. Also each year an FFA banquet is held.

One of the main goals of the organization is to raise money to send two boys to Kansas City, Missouri, each year for the National Convention. John Corey and Charles Hughes were the representatives this year and were there for one week with all expenses paid.

Randy Allen played in the 115-piece FFA band which performed at the convention all week. The State Association paid all expenses for ten days. The band also appeared on TV and led the American Royal Parade.

Girls' Varsity Club

The Girls' Varsity Club is composed of all girls who have earned a varsity letter. Several interesting projects of the varsity club are Thanksgiving and Christmas baskets for the needy, get well cards for faculty members, a Sadie Hawkins dance, and a girls' sports meet which climaxes the year. A special event this year sponsored by the varsity club was a hockey game between the girls' varsity hockey team and the boys' varsity football team. Many excited students and faculty members witnessed this gala event which ended in a tie score, 1-1.

Row 1: Harriet McElhone, Vice President; Sarah Harris, Corresponding Secretary; Alex Bradley, Treasurer; Susanant, Recording Secretary; Kris Breidenbach, President; Mrs. Slaveski. Stage Crew

Paints, lights, wood—the Stage Crew is the organization which ably helps with the decorations and props for dances and musical activities. They also help make the scenery for the class plays and set up the sound equipment for our assemblies.

Row 1: Harry Bozarth, Dolores Starliper, John McMillen, Candy Dalezar, John Vargas, Linda Coughiano, Barbara Ogden, Manager; Sam Clark. Row 2: Vinton Thompson, Dave Franzman, Mr. Cullen, Advisor; Doug Turner, John Gallagher.

Hi-Y Club

The Hi-Y is a high school club for boys which is sponsored by the YMCA and promotes good citizenship and sportsmanship. The club held a Back Hop in January and attended a Conference in Trenton this Spring.

Row 1: Bill Bisignano, President; Tom Godfrey, Sergeant-at-Arms; Charles Donachy, Treasurer; Jack Kern, Secretary. Row 2: Mr. Riffle, Advisor; Dave Krantz, Vice President; Jim Slaterbeck, Chaplain; Norman Hill, Parliamentarian. Absent: Bob Middleton, Vice President.

Library Council

The Library Council, sponsored by Mrs. Miriam E. Griffin, hopes to serve the school in any way possible by having library assistants help those who use the library. In this way more people can get help if they need it.

The library assistants learn library skills and explore the world of books and authors. In this way they will be able to help all of us more. Future plans are to visit the Thunderbird Museum and establish a paperback bookstore in the library.

Future Nurses' Club

The Future Nurses' Club, sponsored by Mrs. Palese, has formed to interest boys and girls in health careers, primarily nursing, and to guide them in their school and college selection. The activities this year have been concerned with organizing the club. They have attended teas at local hospitals, West Jersey and Cooper, and have had movies and speakers at the meetings.

Row 1: Tony O'Connell, Michael Pella, Kathy Di-Nicola, Karen Fichter. Jazz Club

Under the supervision of Mr. Sadoff, Jazz Club members meet to study and discuss the history of jazz in the United States.

The club meets twice a month and gets much pleasure out of listening to different jazz recordings.

Row 1: Mary Burns, Joyce Powell, Karen Neal, President; Nancy Mitchell. Row 2: Karen Lahn, Street, Secretary-Treasurer; Gerry Miller, Alvin Wall, Pat Wells. Row 3: Jim Budney, Myra Middleton, President; Bill Hollister, Ron Hoard, Judy Heide. Row 4: Lee Pfannenstien, Ed Gildner, John O'Keefe, Rick Curry, Mr. Sadoff. Absent: Harry Sanders.

Biology Club

This year the Biology Club members planted tulip bulbs at the front entrance of Lenape; and at Christmas time, they held a wreath-making contest. The aim of the club is to promote better understanding between the students and the world of nature.

Row 1: Robert Hutnich, Steve Morris, Vinton Thompson, Robert Kennedy, Henry Marcantonio, Robert Hager, Matthew McCrink. Lenape Little Theater

The Lenape Little Theater was established just this year to help develop the individual talents in students and to acquaint the students with the elements of the theater. It is a wonderful club for students interested in acting, directing, make-up and costuming. The theater is under the capable direction of Mrs. Bowman. It provides a year-round theater for the school in the production of one-act plays.

Row 1: Robert Newman, Dick Jarvis, Patti Foster, Mary Howarth. Row 2: Mrs. Bowman, Advisor; Joan Pijanowski, Carol Walter, Janice Mayo, Nancy Killip. Row 3: Sharon Nixon, Dawn Wescott, Carol Bailey, Carolyn Bekes. Row 4: Frances Thacker, Christine Rosin, Beverly Burger, Linda Corigliano, Debbie Digby. Row 5: Betty Gilio, Nancy Denning, Elaine McCrink, Cynthia Frantzman, Linda Yates.

Art Club

The Art Club stands for students who wish to pursue a career in art. Most of the members exhibit an aptitude for art and the art club provides a place for their development. The best equipment available gives every member self-betterment opportunities.

Row 1: Suzanne Dorn, Gloria Backer, Janice Mayo, Buck Donachy. Row 2: Judy Smith, Lorraine Raynor, David Watkinson, Alex Bradley, Pam Stevens, Karen John, Lyn Beckett, Pat Wells. Row 3: Betty Steckman, Sue Shutt, Lisa Pauciello, Jackie Collins, President; John Turner, Sandy Keeling, Treasurer; Sherrie Wagner, Diana Duffield, Judy Heide, Sharral Patchell. Kneeling: Cathy Scattergood, Secretary; Linda Phillips. Row 4: Jimmy McGowan, Jim Braddock, Bill Devereaux, Janice Kay, Charlotte Peak.

Soccer Club

The Soccer Club meets weekly with Mr. Sadoff, Advisor, to apply the proper fundamentals, rules and techniques of soccer by participating in the sport.

Row 1: Gary McClay, John Vargas, John Edwards, Richard Moss, Bruce Bake, Dave Thompson, Gary Muhlberg
Row 2: Glenn Donharl, Jim Wilson, Dennis Johns, Matthew McCrink, Treasurer; Jurgen Baumann, Mike Odell
Row 3: Claude Boudwin, Al McCormick, Tom McGowan, President; Alex Henry, Larry Lynch, Bill Hollister, Mr. Sadoff, Advisor.

The Harvesters' Bible Club

"The Harvest truly is great, but the labourers are few."* The Harvester's Bible Club uses the study of the Bible to help the students see that God has a plan for their life. The club meets every week after school in Room A-200. At the time, there are 15 members, and are looking forward to many more. For the past two years, the club has visited Wiley Mission at Christmas time and sung carols.

Photography Club

Hold it—Snap . . . The purpose of the Photography Club, which is under the direction of Mr. Cyr, is to provide pictures of various school functions for the LEGEND, Smoke Signal, club, faculty and administration, in addition to school publicity.

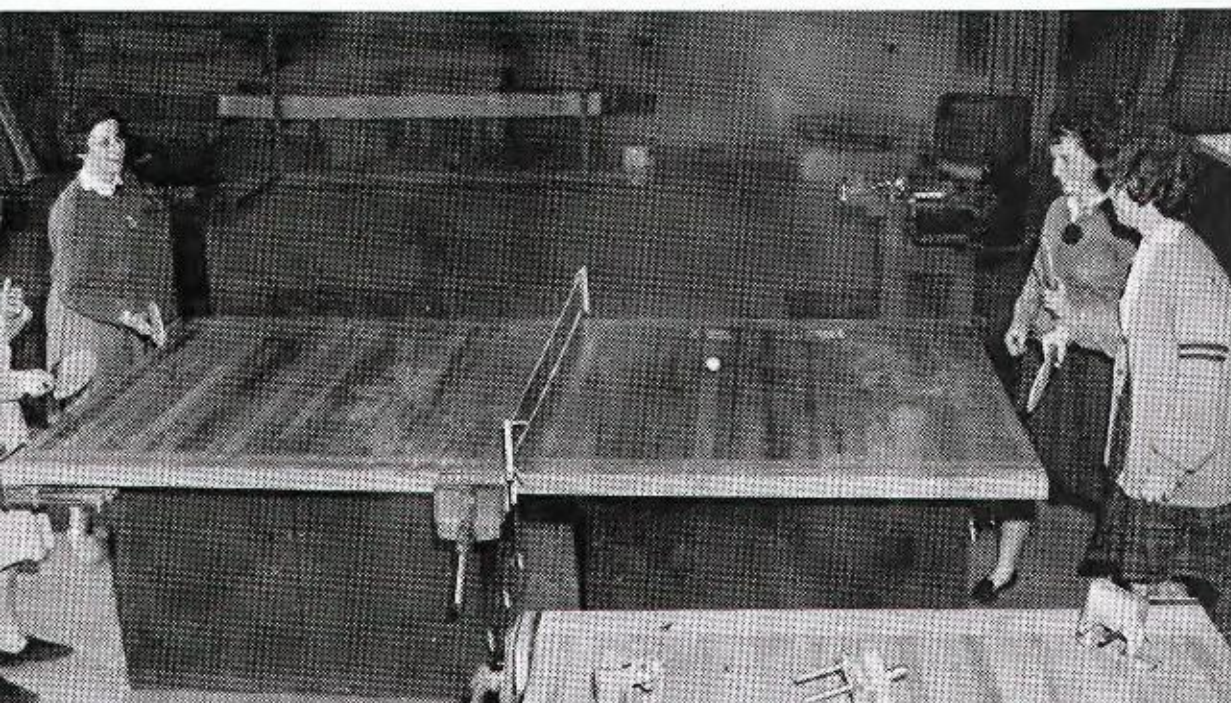

This year the club's major project was producing a series of 100 colored slides depicting "Why Bus Safety Is Important to School Districts." These slides will be shown in schools in New Jersey and in major cities of the United States.

Archery Club

The Archery Club's aim is three-fold; (1) to teach citizenship; (2) to create interest in archery; and (3) to learn the art of arrow making. Mulford Gibbs, a senior, is President and Mr. DeFebo is the advisor.

David Marcmann, John Selzer, Bill Devereaux, Mr. DeFebo, Mulford Gibbs, Eddie Stewart, Larry Gager.

Traine Claypool, Naomi Scott, Violet Heck, and Peggy Gear enjoy ping-pong, one of the many activities of the club.

Girls' Intramurals

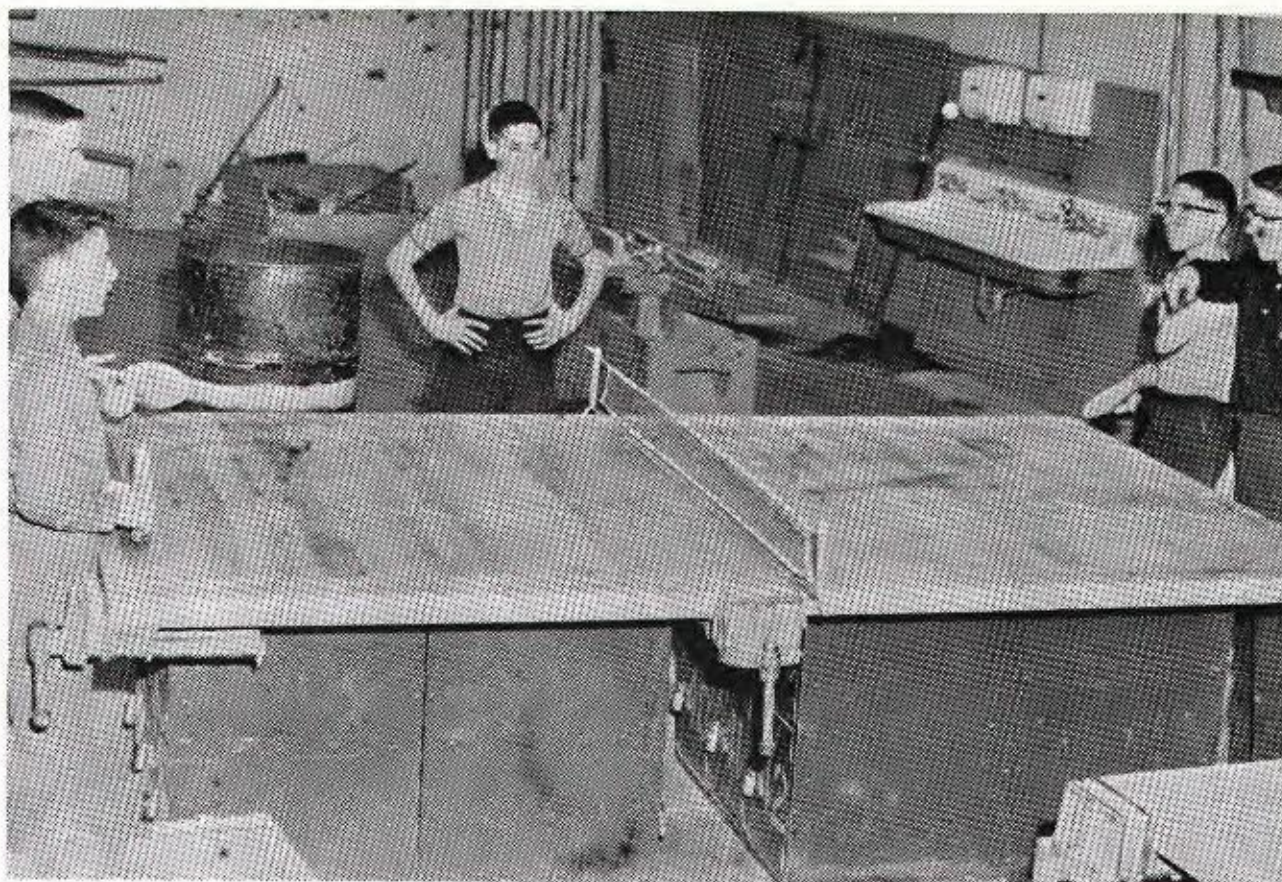

Basketball anyone? . . . This club is the organization which sponsors intramurals for the girls after school. Under the leadership of President Naomi Scott, Vice-President Judy De-More, and Secretary Darlene Henry, they sponsor basketball, softball, and ping-pong.

Basketball Club

Under the direction of Mr. Galtere, the basketball club's purpose is to generate interest in basketball among all students.

This year the project was to raise funds to support a summer basketball recreation program. The club has sponsored faculty basketball games and concession stands at the County Freshman Basketball Tournaments.

Boys' Intramurals

The Boys' Intramural Sports Program is an integral part of the athletic program at Lenape. It is offered in an attempt to broaden the athletic program.

Skills are taught to boys in the gym classes, but there is little chance to put them into practice. Naturally, not all boys can make the varsity teams; therefore, this program allows many more boys to participate in extracurricular sports. It also helps prepare them for varsity sports later on. Mr. Nelson is the advisor.

This year basketball, ping-pong, softball, and volleyball were offered to the many students participating.

Tropical Fish Club

Raising, breeding and discussing all aspects of aquatic plants and fish are enjoyed by the Tropical Fish Club members led by Mr. Schwartz.

The officers of the club are Bill Walton, President; Ron Kimber, Vice-President; Sharon McKinney, Treasurer; and Barbara McClelland, Secretary.

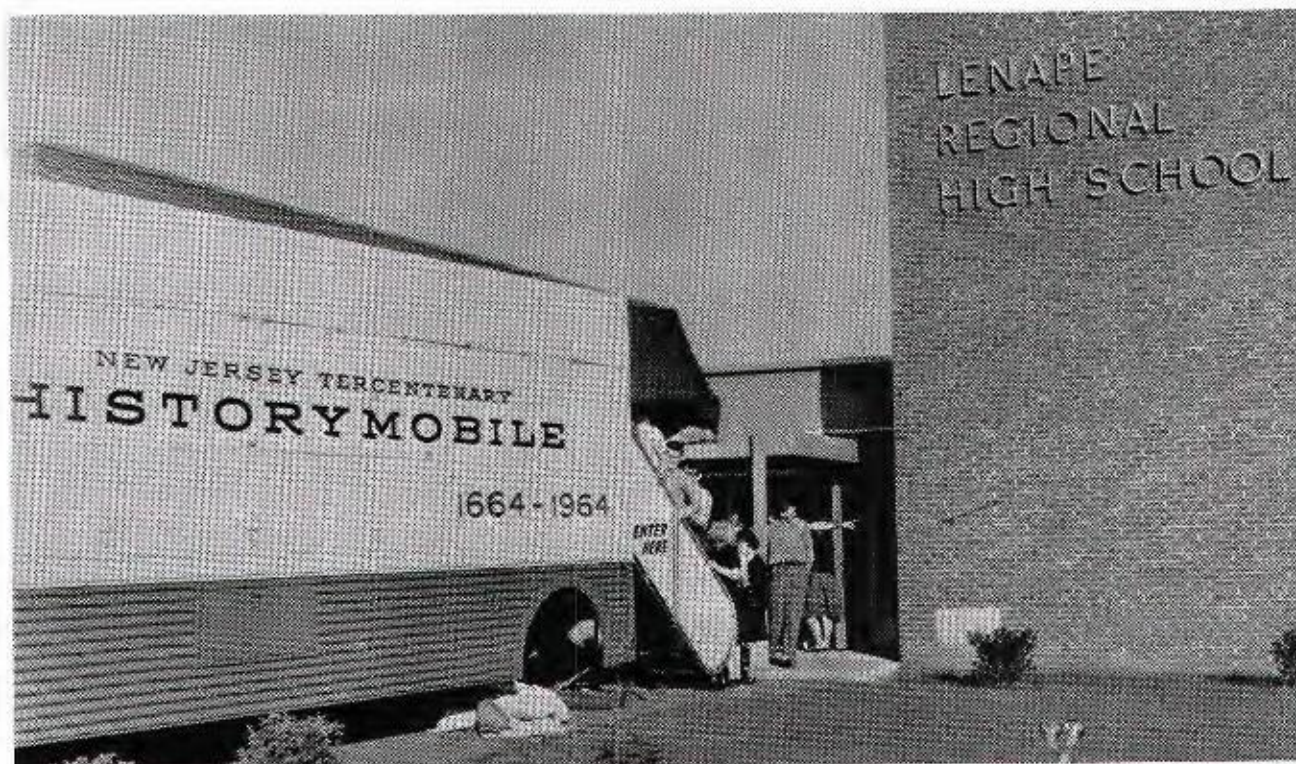

Sharon McKinney, Jim Wilson, Ron Kimber, John O'Keefe, Mr. Schwartz, Roy Glen, Dave Holloway, Dave Frantzman.

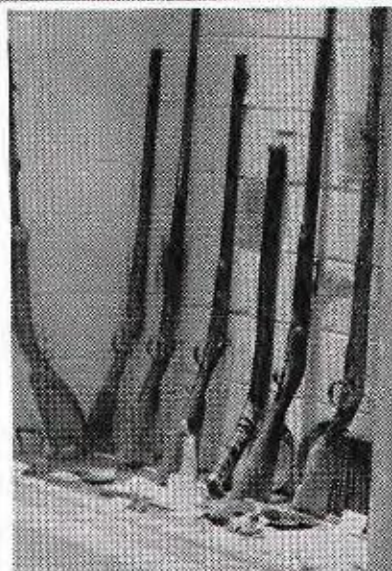

Bowling Club

The Bowling Club, under the supervision of Mr. Roller, includes all Lenape students who enjoy the sport and pleasure of bowling. These students have been organized into several leagues and bowl weekly at Colonial Lanes in Mt. Holly.

For the second time in three years Coach Bill Foltz has guided the Lenape gridiron squad to a championship. With a five wins-one loss record, the team edged Burlington who terminated their league season with four wins and one loss.

Captained by Tom Davidson and Doug Nixon, the football squad made its mark in Burlington County with a brand of playing labeled by Coach Foltz as *Lenape Football*.

Palmyra 12-6. The season opened with the fast-moving ball club from Palmyra. Lenape scored both touchdowns early in the game giving an appearance of a complete romp, but the Pals came out in the second half a determined team and moved down to score.

Steinert 13-20. In a hard-fought game Steinert edged our team by a touchdown in the closing minutes.

Cherry Hill 6-20. A very able ball team led by fullback Mc-Nee handed defeat number two to the Lenape Squad.

Riverside 13-0. On a beautiful Saturday afternoon Lenape fans watched their team compile its first shut out. From the opening kickoff, Lenape dominated play. The gridiron squad looked as if it only had a forward year. Fortunately for Riverside a fumble, recovered by them, gave them a chance to score.

Their attempt, however, was in vain as Lenape stopped them. At that time we possessed four league points.

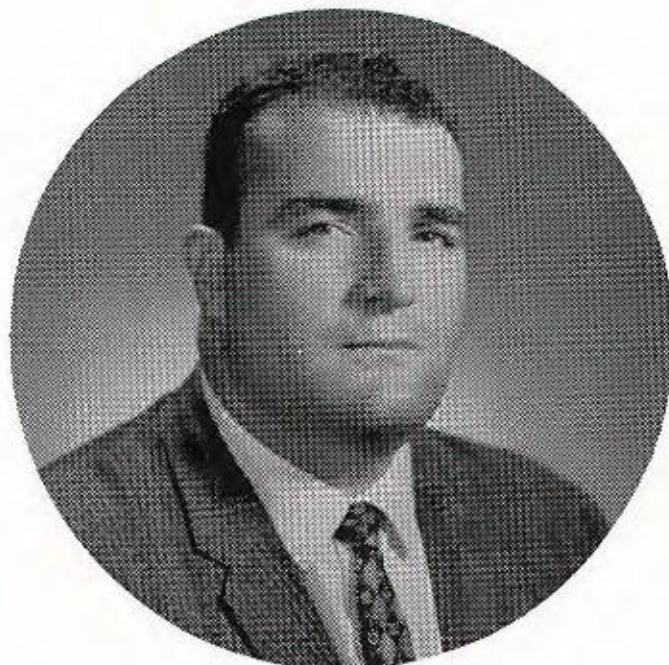

Burlington 9-13. This game was the heartbreaker of the season. Plagued by fumbles within the 20-yard line, Lenape was edged by the Blue Devils for our first and sole loss in league competition.

Mount Holly 29-0. Compensation at last! After shutting Lenape out for three consecutive seasons, Lenape reversed the table and shut out the Hollies. Gordon Peterson scored the first touchdown against Mt. Holly in the history of Lenape on a long pass from Tom Godfrey. Later in the first half, Seward tackled a Holly in our end zone and received 2 points for a safety. At half-time we led 8-0. In the second half Lenape "ground-eating" machine scored three touchdowns and three extra-points.

Camden 13-7. Having lost our other two non-league games, Lenape was out for blood. A severe rain caused the game to be postponed until Monday. After school the team went to Farham Park to play the hustly Camden team. Camden opened with a quick score. Their PAT was successful and they led 7-0. Lenape went into the second half determined and immediately scored. The extra point failed so Camden led 7-0.

Coach Foltz appearing on T. V. Lenape was chosen by the N.J.E.A. as a school with a model athletic program.

7-6. Lenape had to score and with two minutes left to play, Alvin Wallace brought the ball across. We scored the point and ended the game as victors.

Moorestown 19-6. The black and gold squad was by far the biggest one we faced. They did not hold up to the brutal back delivered by the Indians. We scored quickly and maintained a 6-0 lead through the first half. This was not enough though. Coach Foltz and the team wanted more. Early in the third period Lenape scored again and another time in the fourth quarter. In the closing minute of the game, Moorestown's Neil Jans, caught a pass in the Lenape end zone.

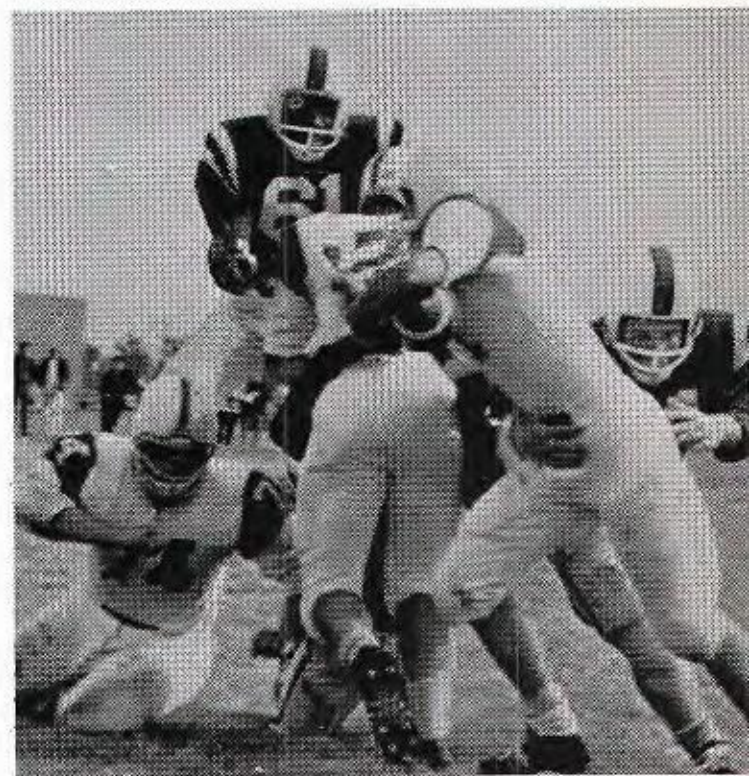

Levittown 6-0. This was by far the most exciting ball game of the season. Levittown had a fine season and boasted some good players. Lenape needed this game to insure the championship or at least a tie. Determined to win, the Indian team scored early in the second quarter. This proved to be the only score in the game. Levittown threatened many times with Lenape holding them at one time at the one-foot line and again on the two-yard line. The fans were on edge the entire time. This victory proved to be enough to win the title of Burlington County Champions.

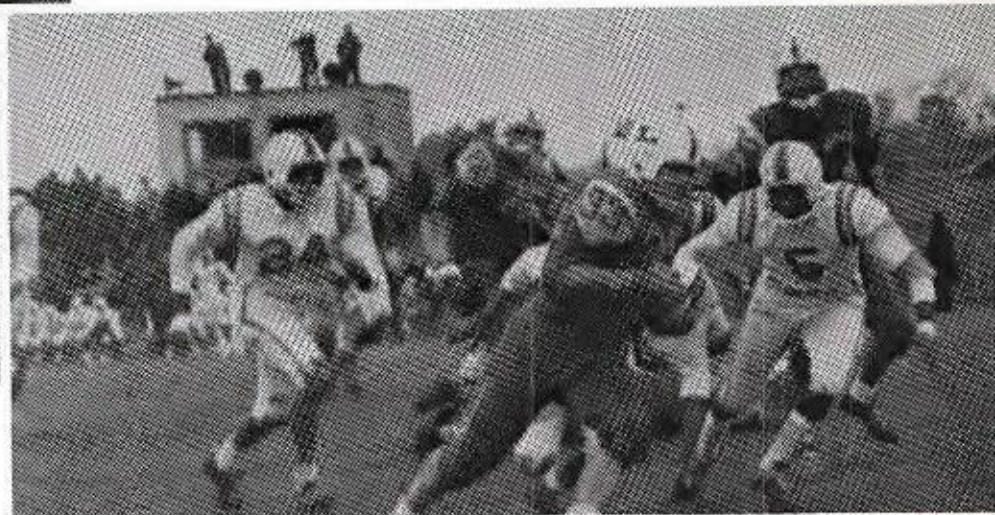

Football teams perform calisthenics each day as part of the regular practice.

Hockey

The varsity squad was in the hands of a new coach and teacher—Miss Moore. Together with hard work, discipline and skill, the team met their opponents ready, willing and able to win. Although they didn't win the championship again this year, their season was very successful. Led by Senior Co-Captains, Sara Harris and Alberta Perla, the veteran seniors Kris Breidenbach, Sue Ofgant, Arlene McCormick, Mary Phillips and Lucille Pearson, the team sparked together almost immediately.

One highlight of the season was the Girls Varsity Hockey vs. Boys Varsity Football. It took place on a muddy hockey field with a snow fence blocking out a quarter of it. All in all it was a truly exciting and casualty-free game. The boys were proud to boast a 2-1 victory.

Basketball

This year there was a feeling of sadness as the '63 Basketball Season came to a close. There were many games that will long be remembered. All three teams performed in a manner that was a tribute to the great name of Lenape.

Our Freshman team, under the direction of Mr. Caputo, had a wonderful season this year. Out of seventeen games, they won fifteen and lost only two. One of the losses was in an overtime game against Moorestown. The Freshman Tournament was held at our school this year on March 2 in the gym. As we all know by seeing the new trophy in the Trophy Case, the Freshman won this. We are all proud of them and look forward to seeing the boys advance to the J. V. and Varsity squads in the future.

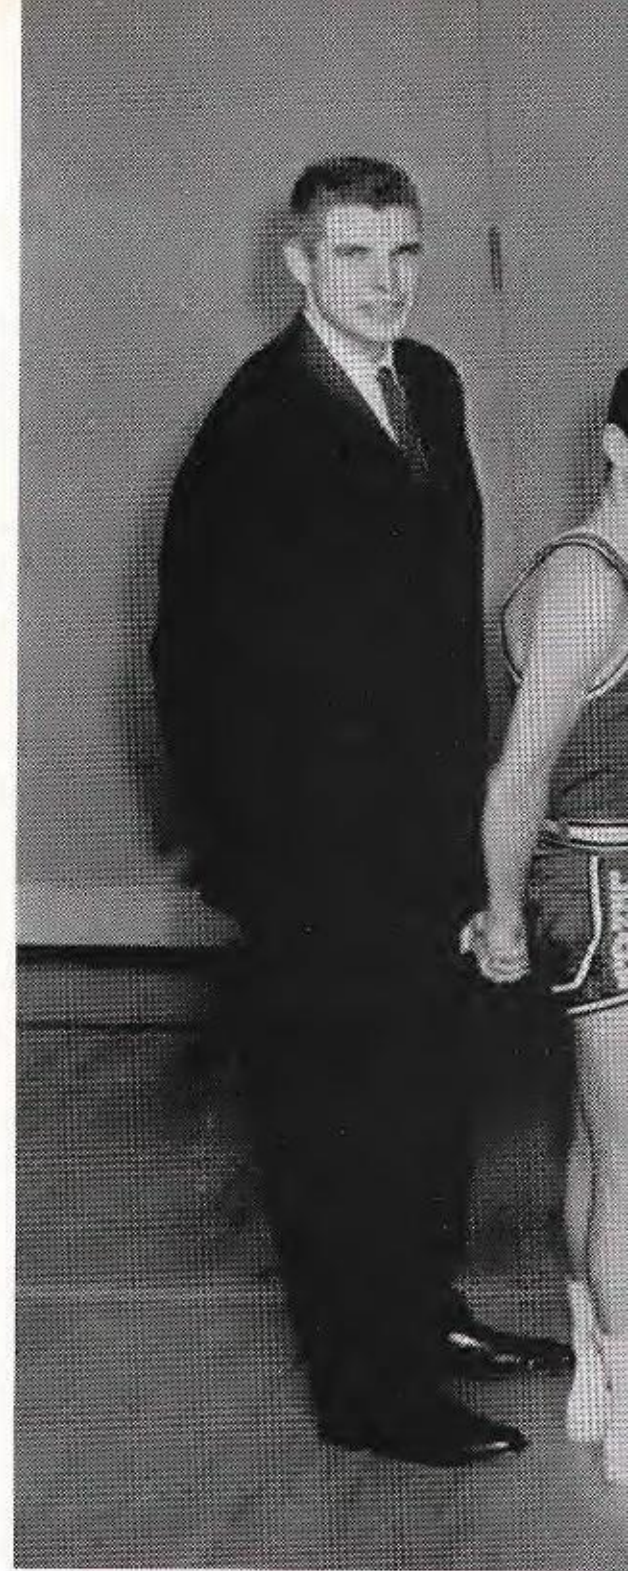

Although the Junior Varsity did not have a spectacular season, they played some very good games. Under their coach, Mr. Murray, they won five out of eighteen games. They were a relatively inexperienced team; but after this year and with more practice, they should greatly improve their record.

Last but not least is our Varsity Squad. The Varsity, coached by Mr. Galtere, gave Lenape many moments which will never be forgotten. Out of twenty games, we won ten and lost ten. We finished the season by being tied for third place in the league conference. This was the best record accomplished by the basketball teams as of yet.

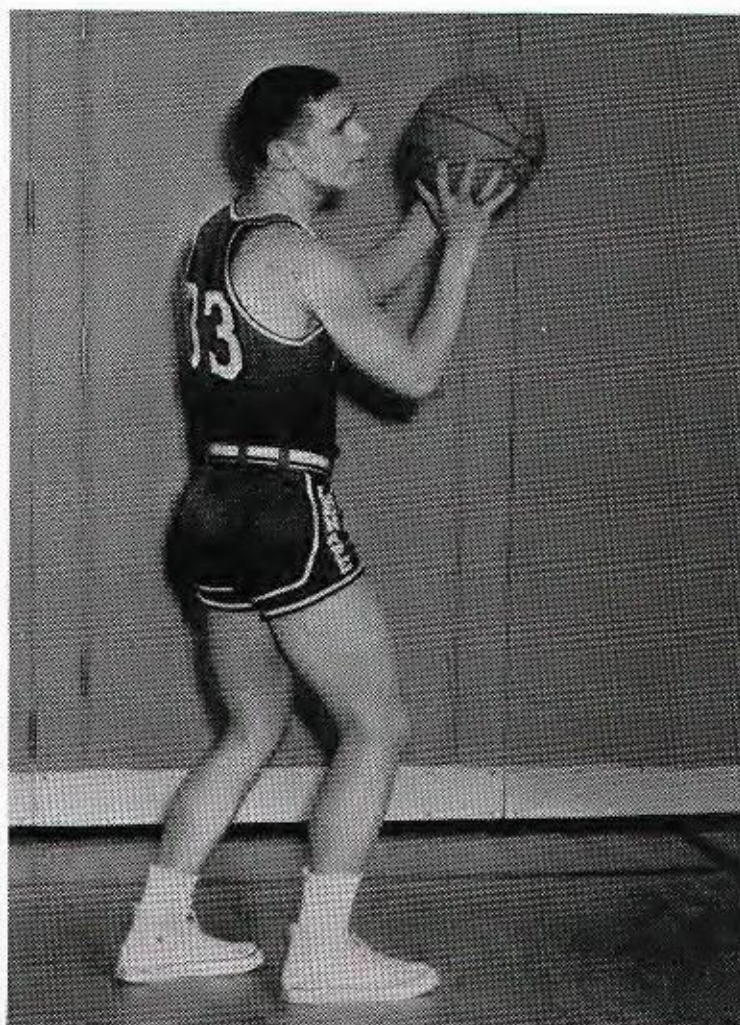

Three of the games we lost were by one point and one by two points. These were considered the heartbreakers, but the most heartbreaking game of these was our loss to Mt. Holly. The team fought for this game all the way. With two seconds left in the game Holly had a one point lead on the Indians. Lenape held the ball and set up a play with hopes of making the basket. The attempt was unsuccessful, but in spirit we all felt we really won this one. Even though we lost the very close games, we won many the way we all like to see games won.

Some of the wins we had were a surprise to many. A fine example of this was our last game. In front of one of the biggest crowds ever in our gym, the Indians went on to be the only team to defeat Burlington High this season. All those who saw this game will agree it was one of the best they had ever seen. The team played a great game against Burlington as they did in all their games. Since we are only losing two seniors this year, Lenape is looking forward to a fine season next year with an experienced and high-spirited squad.

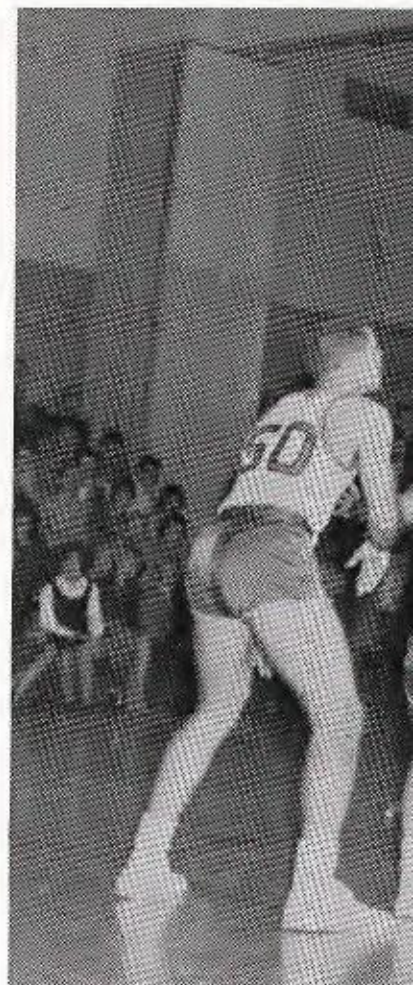

With the basketball teams we have, Lenape has something to really be proud. They filled many afternoons and evenings with enjoyment and excitement; but best of all, they brought more honor to our school. With the potential we have for next year, we are looking forward to greater seasons with much more spirit from the student body.

Cross Country

A cross country meet consists of a 2½ mile race over hills, through corn fields, and under low-hanging objects. This sport is unusual in that the team with the lowest score wins. A team scores points according to the places it obtains. For example, if a runner finishes sixth his team receives six points. Only the first five men from each team count in the scoring.

With half of the varsity returning next season Coach McCabe predicts a record even better than this year's one of 7 wins and 3 losses. Those returning are Juniors Tony Perna, Robert Longacre and George Bear. The remainders Charles Harrison, James Whithead and Captain John Flor are seniors and will graduate this year.

In the State Championship competition, (Group IV) this year the Indians finished ninth (first from South Jersey) in a group of 42 teams.

Wrestling

The Lenape wrestlers have completed their first season on a varsity level. Aably coached by Mr. Schnepf and Mr. Guidi, the team terminated the season with a successful record, 7-5.

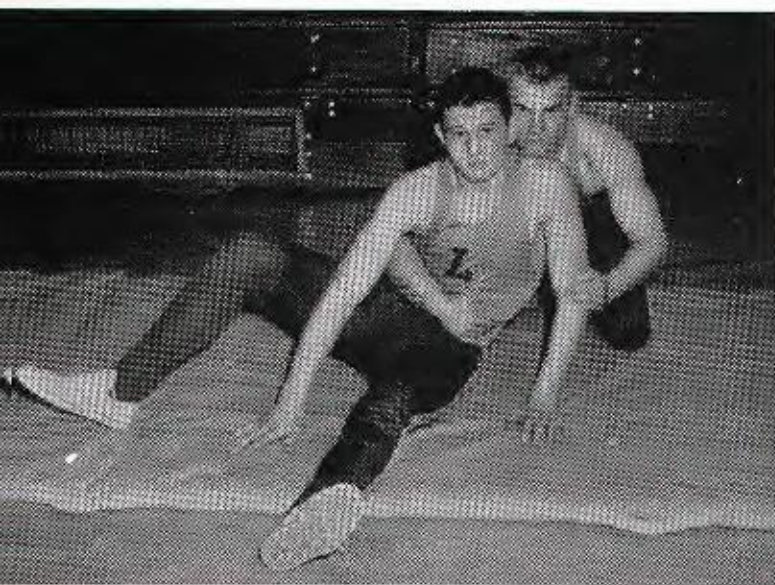

In order that a wrestling team have a successful season, the team must have several strong wrestlers. Lenape was no exception. We had six wrestlers with winning records—four of whom are ninth and tenth graders. Five of the six emerged finalists in the district championships, and one, Ed Witczak, was a district champ.

Wrestling is an unfamiliar sport at Lenape but it has rapidly increased in popularity this past season. The stands grew fuller and fuller as the season drew on. The object of wrestling is simple—defeat your opponent. This is done one of two ways. A wrestler may gain a decision over his man which gives his team 3 points or

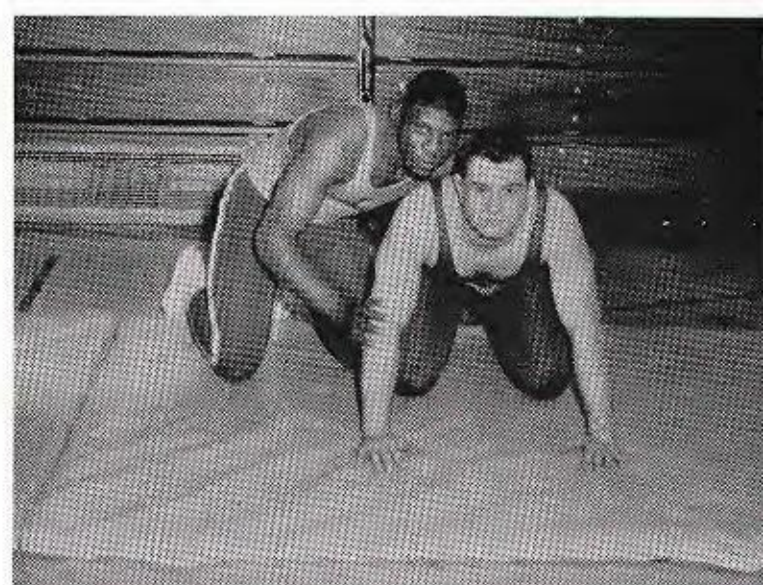

he may pin his man. This gives his team 5 points.

The sport requires a great deal of stamina, perhaps more than is needed in any other sport. The wrestler must work hard for six minutes. He must move quickly, with strength and with thought. Efficiency in these three phases makes a good wrestler.

As was mentioned, Lenape emerged with five district finalists. Jerry Bisignano, a freshman, Bob Ard and Dave Smith, both sophomores, were third in the district in their respective weight classes. Norman Hill, our heavyweight, placed second in the district tournament. This boy backed up against some very stiff competition and fathomed it very well. Our district champion, Ed Witczak, a 100-pounder, is only a sophomore. The future looks bright for Mr. Schnepf's grapplers.

Three Cheers for Lenape, RAH, RAH, RAH! This year our cheerleaders were fortunate enough to work with and lead a student body full of the pep and spirit needed to back our athletic teams.

The enthusiasm among the girls was great, despite the many hours of hard work involved. But their reward was a great amount of personal satisfaction.

The Lenape Indians opened their season on April 10 by invading Pennsauken. Jim Forrest initiated the season for Lenape but was defeated by a score of 3-0. The defeat hinged on the fact that 15 Indians bit the dust via the strikeout route.

The Indians moved off the reservation for the second time on April 10 and came home a victor over Palmyra. This was behind the four hit pitching of Steve Croshaw.

In what turned out to be one of the biggest games of the season Lenape was defeated by Hamilton at Hamilton by the score of 4-3 in 9 innings. The winning tally came across on the ninth inning on a bunt single with the bases loaded and two men out.

In Lenape's initial encounter with the Red Devils of Holly, Lenape came out on the short end of an 8-1 count.

In perhaps one of the most exciting games of the season Lenape hosted Moorestown and came away victorious due to a steal of home in the last inning by Bruce Jennings. Final score 8-7 Lenape.

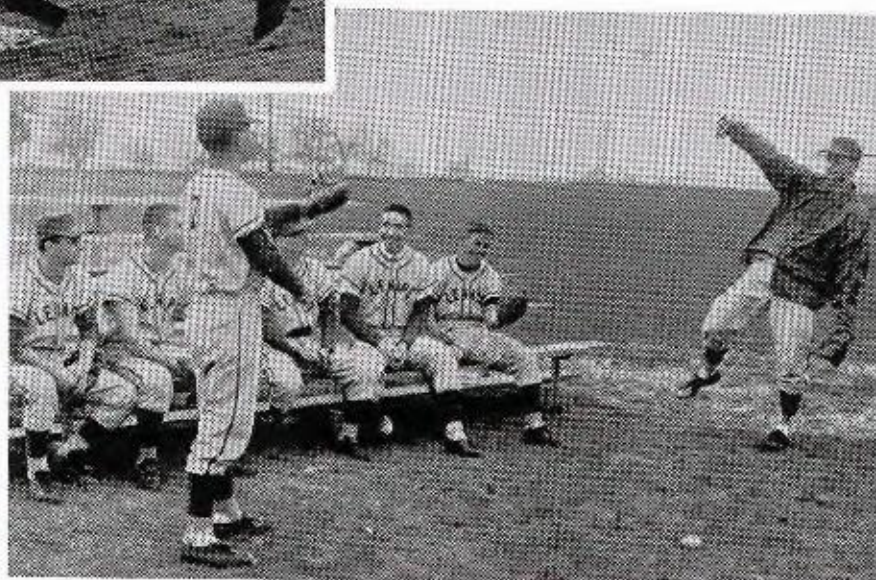

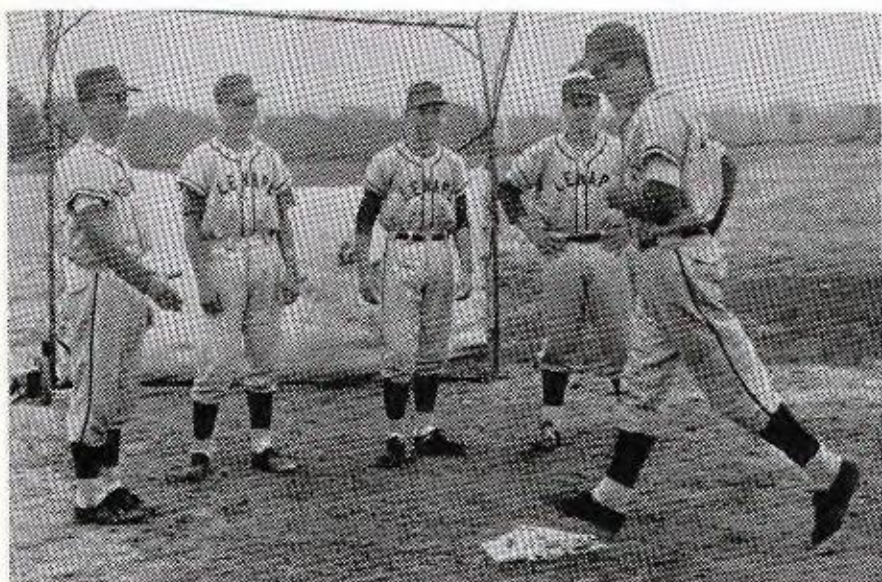

After holding Burlington to a 12-12 tie, Lenape was defeated by Mt. Holly 9-4, whipped Palmyra 5-0 and then lost to Delaware Twp. 5-1. Lenape has thus far posted a 3-5-1 record.

This marked the turning point of the season for the Indians. The hitting and fielding clothes were brought out of mothballs and Lenape reeled off five straight victories.

Ewing was first to taste Lenape's rejuvenation 9-5. Burlington bowed 9-1. Camden was turned back 7-1. Riverside was humbled 6-1 and Moorestown became the fifth consecutive victim 5-4. This brought our record to 8-5 and one overall.

An invasion of Camden proved fateful as Camden turned by the Indians 7-5.

For a finale to the season, Lenape marched to Hamilton to try for a league tie. The league record stood at 7-3-1. A win could mean a tie. A defeat—nothing. The Indians ended the season with an 8-7-1 record overall and 7-4-1 League.

Track

Lenape's Track Team finished the season last year with a commendable 8 and 5 record. This was the best record achieved thus far by our track team.

Seventy-six boys were at the first practice. Even though this number was decreased, the number of boys participating was encouraging.

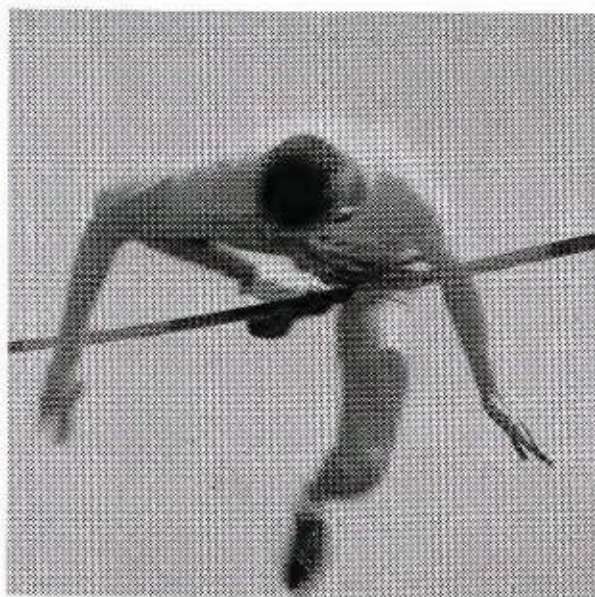

The team competed in the South Central Jersey meet and did very well, placing 4th out of 9 teams. The team had two individual

S.C.J. track champions, Bill Smith in the high hurdles and Frank Kerlin in the high jump.

Although the team was composed of many students, relatively few were seniors, which gave high prospects for this year's team. Mr. McCabe, Coach, is very pleased with the progression the team has made in the last few years, particularly last season. He feels the team is well balanced and since a few of the losses were by only a few points, the team was better than the record shows.

Softball

Co-captained by Betti Mueller and Sara Harris and coached by Mrs. Brich, the girls of our softball team went out and really knocked the balls around. Although they won only 3 of the games played, the girls did a pretty good job under the circumstances. They faced an altogether different coaching system and also had lost many of the girls from the previous year. The girls still came up with the spirit and drive to win a few games for Lenape.

Archery

The Lenape Regional High School Archery Team has been one of the newest additions to the sports program and offers this sport to those interested.

The team consists of a Varsity and J. V. squad. Each squad must have at least one girl member competing to encourage more girls to join this fine sport. Competition matches were held between other schools in the area. Lenape won two of its eight matches last year, and are still looking for the right combination for a winning year.

The American Round is the method of scoring. Thirty arrows are shot at thirty yards, forty yards, and fifty yards. These arrows are scored and the highest number of total points wins the match.

Kneeling: Darrell DeWitt, Bernard Hochman, Richard Moss. Standing: Mr. DeFebo, Coach; Terry Bergum, Bill Wood, Bill Devereaux, Robert Hutnich, Larry Gager, Mulford Gibbs.

Memorable Occasions

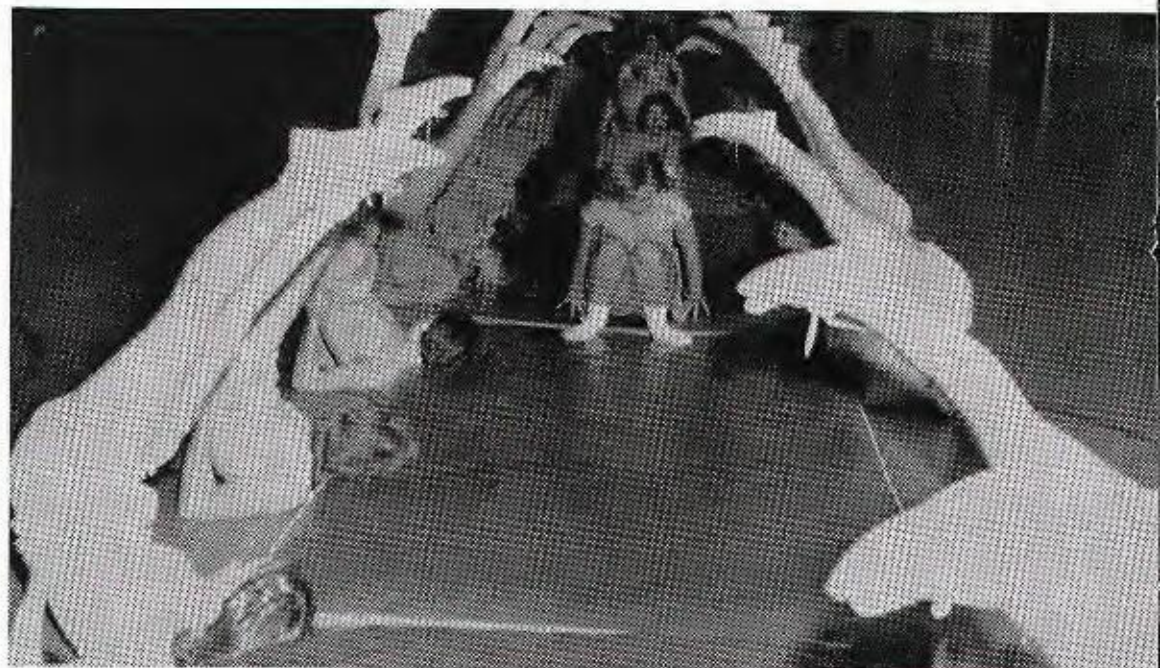

Exchange assembly with Edgewood High School is enjoyed by the student body.

Big moment for Juniors. Charles Francis, Pat Callahan, and Jackie Probert receive their class rings after a long wait.

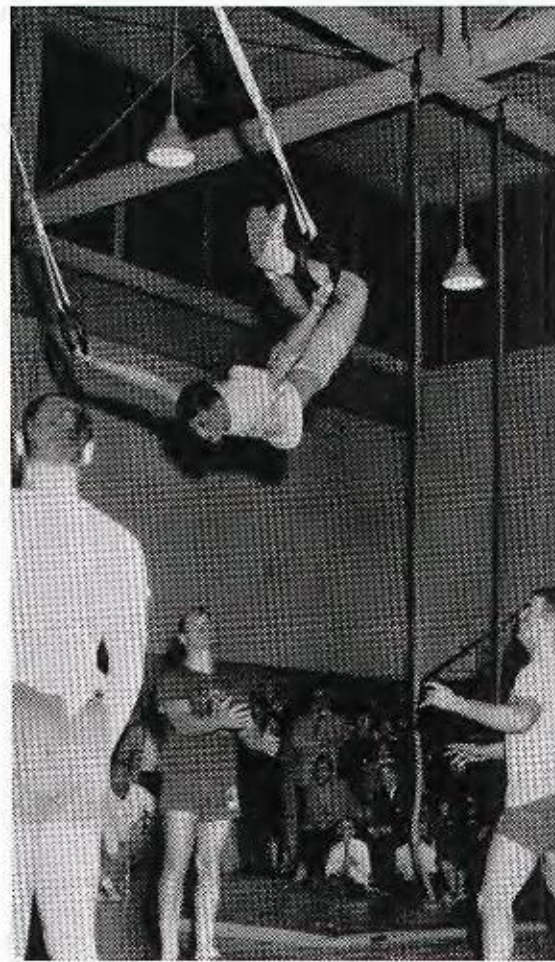

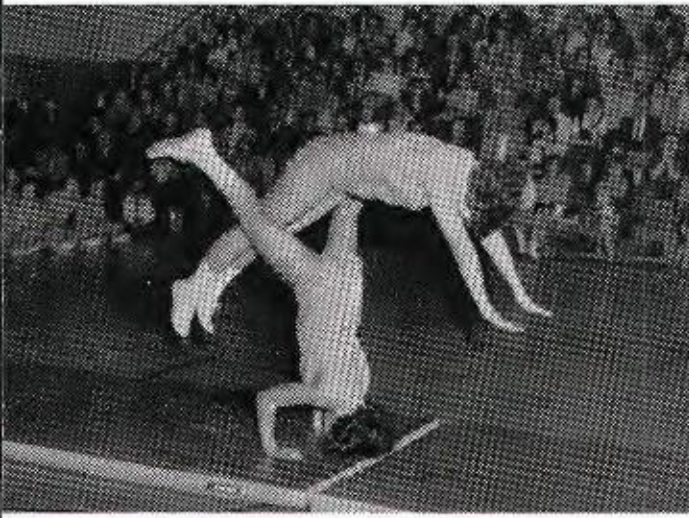

"Only God can make a tree." The '66 graduating class planted a tree in commemoration of Arbor Day. President Jim Forrest and Mr. K. K. Konstantinos made the shovel.

The Second Gym Exhibition proved a great success as hundreds of students performed gymnastics and gave a variety of demonstrations.

Add to
"The

Good Year"

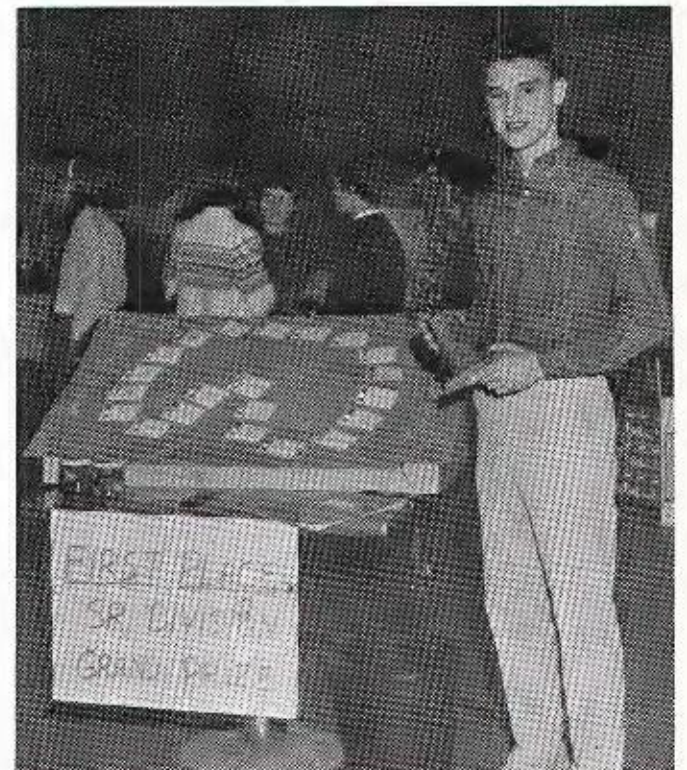

The Second Annual Science Fair

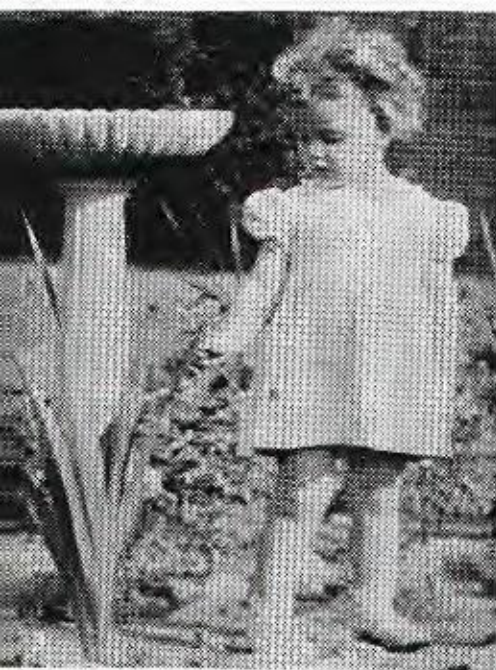

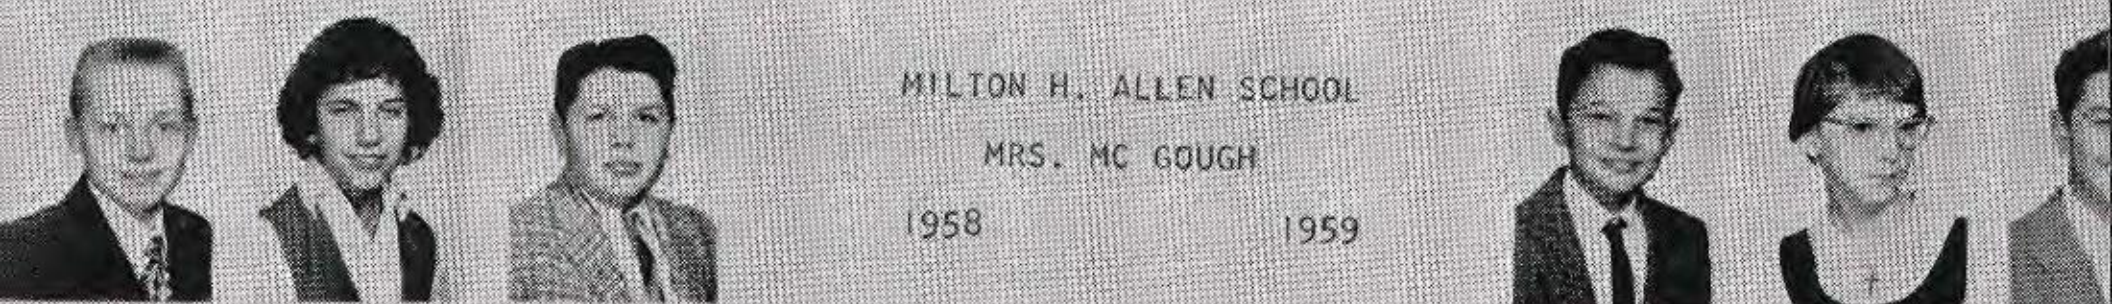

Projects submitted by the students in the science classes took much time and effort and were viewed by many.

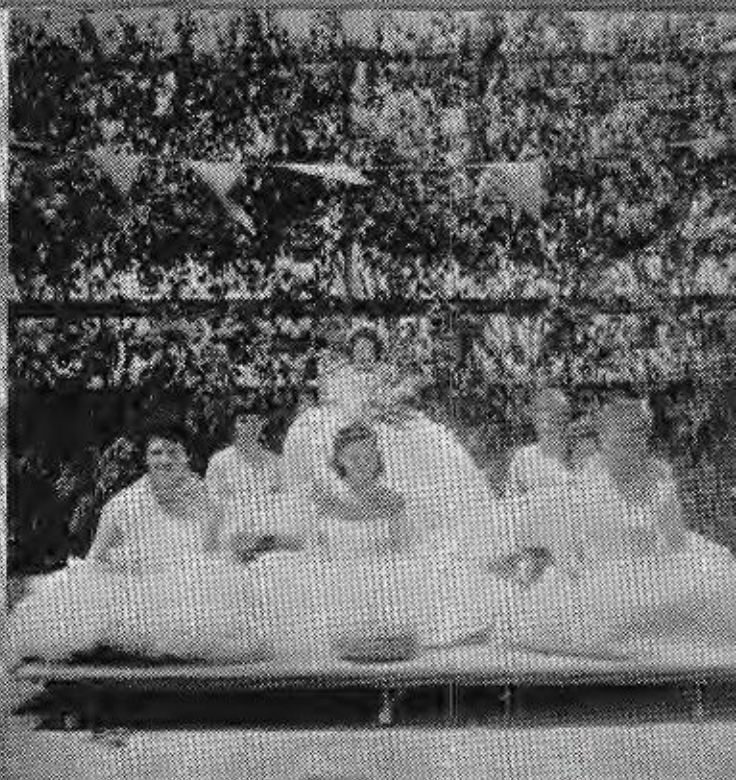

Rob Ehlers won the Grand Prize in the Senior Division for his controlled experiment using artificially bred tadpoles to study the effect of cytomel on their growth and development.

Connie Shaw won the Grand Prize in the Junior Division for her oil drop experiment, which was a classical experiment in physics to determine the negative charge of an electron.
